June 7, 2019

Meeting Notice
Village Council Meeting As
A Committee of the Whole
June 11, 2019

Notice is hereby given that the Whitehouse Village Council will meet as a Committee of the Whole on Tuesday, June 11, 2019, at 6:30 PM. This meeting will be held in the Council Chambers, Village Hall, 6925 Providence Street, Whitehouse, Ohio.

AGENDA

I. Call to Order

II. Roll Call

III. Review and Approval of the May 14, 2019, Committee of the Whole Meeting Minutes

IV. Citizen Comments on Committee of the Whole Agenda Items

V. **Public Service**

A. ARS Updates
   1. Cost Update
   2. Bulk Item Pickup Dates for 2020
      - **Recommended Action** – The Committee is asked to hear a presentation on a request for a contract adjustment for refuse collection. The Committee is asked to review this request and accept the Administrator's recommendation to approve. The Committee is asked to consider an additional discussion on bulk pickup scheduling.
      - **Supporting Information** – Memo on cost update and CPI effect on refuse industry (Exhibit A). Memo on bulk item pickup, calendar, and e-mail (Exhibit B)

B. Downtown Stop and Street Name Sign Design
   - **Recommended Action** – The Committee is asked to entertain a presentation on proposed new designs for Downtown Stop and Street Name Signs.
   - **Supporting Information** – Memo, cost summary and design concepts (Exhibit C)

6925 Providence Street . PO Box 2476 . Whitehouse, Ohio 43571
Phone 419-877-5383 . Fax 419-877-5635
whitehouseoh.gov

C. Park Exercise Equipment

- **Recommended Action** – Per Council request, Village Staff will present a couple options on outdoor exercise equipment. The Committee of the Whole is asked to provide Staff with guidance as to the preferred equipment pieces as well as location.
- **Supporting Information** – Memo, cost summary and design/layout options (Exhibit D)

VI. **General**

A. Fencing for Veteran's Memorial Park

- **Recommended Action** – The Committee is asked to hear a presentation on three (3) options for fencing behind Veteran's Memorial Park and the property immediately to the South. Ultimately the Administrator asks that the Committee accept the recommendation to move forward with the custom fence with masonry pillars (option 3).
- **Supporting Information** – Memo and supporting graphics (Exhibit E)

B. Elected Officials Pay Review

- **Recommended Action** – Per Council request, the Committee will engage in a discussion regarding Elected Officials' compensation.
- **Supporting Information** – Copy of area Elected Officials' pay survey and OPERS service credit wage requirement (Exhibit F)

C. July 2, 2019 Council Meeting

- **Recommended Action** – Council requested to have a discussion regarding whether or not to have the July 2, 2019 Council Meeting due to it being a holiday week.
- **Supporting Information** – None

VII. **Safety Services**

A. 3 Hour Parking on Toledo Street

- **Recommended Action** – The Committee of the Whole is asked to consider Chief McDonough's evaluation and recommendation and to take action accordingly.
- **Supporting Information** – Memo and supporting documents (Exhibit G)

VIII. Citizen Comments

IX. Consider Other Business as Appropriate Under the Village Charter

X. Adjourn

Jordan D. Daugherty
Village Administrator

MEMORANDUM

FOR: Mayor Donald Atkinson and Members of the Whitehouse Village Council Meeting as a Committee of the Whole

FROM: Jordan D. Daugherty, Village Administrator

SUBJECT: June 11, 2019 Council Meeting as a Committee of the Whole

DATE: June 7, 2019

The Village Council is scheduled to convene as a Committee of the Whole on Tuesday, June 11, 2019 at 6:30 p.m. in Council Chambers, Village Hall, 6925 Providence Street, Whitehouse, Ohio 43571.

After the Council President calls the Committee of the Whole meeting to order, the Committee may review and approve the May 14, 2019 minutes.

The first agenda item is a review of information regarding the refuse service. The two items under this topic are a cost update and a discussion on bulk item pickup dates for 2020.

- **Recommended Action** – The Committee is asked to hear a presentation on a request for a contract adjustment for refuse collection. The Committee is asked to review this request and accept the Administrator's recommendation to approve. The Committee is asked to consider an additional discussion on bulk pickup scheduling.
- **Supporting Information** – Memo on cost update and CPI effect on refuse industry (Exhibit A). Memo on bulk item pickup, calendar, and e-mail (Exhibit B)

Next the Committee can review the Downtown Stop and Street Name sign design

- **Recommended Action** – The Committee is asked to entertain a presentation on proposed new designs for Downtown Stop and Street Name Signs.
- **Supporting Information** – Memo, cost summary and design concepts (Exhibit C)

The third item is the park exercise equipment

- **Recommended Action** – Per Council request, Village Staff will present a couple options on outdoor exercise equipment. The Committee of the Whole is asked to provide Staff with guidance as to the preferred equipment pieces as well as location.
- **Supporting Information** – Memo, cost summary and design/layout options (Exhibit D)

Fourth, will be the fencing for Veteran's Memorial Park

- **Recommended Action** – The Committee is asked to hear a presentation on three (3) options for fencing behind Veteran's Memorial Park and the property immediately to the South. Ultimately the Administrator asks that the Committee accept the recommendation to move forward with the custom fence with masonry pillars (option 3).

- **Supporting Information** – Memo and supporting graphics (Exhibit E)

Next, will be a review of the Elected Officials Pay

- **Recommended Action** – Per Council request, the Committee will engage in a discussion regarding Elected Officials' compensation.
- **Supporting Information** – Copy of area Elected Officials' pay survey and OPERS service credit wage requirement (Exhibit F)

Next, is a discussion regarding the July 2, 2019 Council meeting

- **Recommended Action** – Council requested to have a discussion regarding whether or not to have the July 2, 2019 Council Meeting due to it being a holiday week.
- **Supporting Information** – None

Lastly, will be discussion regarding a 3 hour parking limit on Toledo Street.

- **Recommended Action** – The Committee of the Whole is asked to consider Chief McDonough's evaluation and recommendation and to take action accordingly.
- **Supporting Information** – Memo and supporting documents (Exhibit G)

The Committee may consider any other business as appropriate under the Village Charter.

Respectfully submitted,

Jordan D. Daugherty
Village Administrator

Village Council Meeting As
A Committee of the Whole
May 14, 2019

ROLL CALL: Rebecca Conklin Kleiboemer, Mindy Curry, Bob Keogh, Bill May, Louann Artiaga, and Richard Bingham. Also present were the following: Mayor Don Atkinson, Administrator Jordan Daugherty, Clerk Susan Miller, Karen Gerhardinger, Jeff Yoder, Diana Martin, and Karen Schneider.

The President of Council, Bill May, called the meeting to order at 6:30 PM.

Motion by Rebecca Conklin Kleiboemer, seconded by Mindy Curry to approve the minutes of the April 9, 2019 meeting. 6 ayes

Public Service

The first order of business was design review for the Streetlight at Weckerly Road and Finzel Road.

- Contacting the school to see if they could donate funds, Lucas County does not participate, Village responsibility
- Midnight to 5:00 AM will be a blinking light
- Roundabout requests, option was explored, not enough space
- Goal is to keep traffic moving, fewer starts and stops, did not explore stop signs, 3-way stop, Lots of traffic, turn lanes will make the intersection less effective, traffic light will improve flow
- Warning sign for a light ahead
- Desire to get done before school begins is unlikely, pole will take 2-3 months to be delivered
- No temporary signal
- Light will be bagged 14-21 days before it is turned on
- Cameras
- Concerns for backing up traffic
- There have not been a lot of major accidents here, more accidents coming out of the shopping Center onto Weckerly
- Crosswalks, push button, countdown signal on the south side of Weckerly and the West side of Finzel

Motion by Bob Keogh, seconded by Mindy Curry to recommend to Council to authorize the Administrator to move forward sending the traffic signal at Weckerly and Finzel Road out to bid as presented. 6 ayes

General

The next order of business was discussion on conforming of boundaries.

- The Village has been looking at this topic for many years
- Sequentially getting ready for Citihood
- Councilman, Richard Bingham's wife resigned as the Fiscal Officer for Waterville Township last night, checking with the Solicitor to see if there is a conflict with Richard Bingham speaking on the matter prior to him speaking
- Councilwoman Louann Artiaga will abstain from the vote for conflict of interest
- Look at voting at the next meeting instead of waiting the 90 day period
- Being good neighbors, we all use the roads, any one person can approach Council, it is better that we operate as separate entities with joint projects, this is not a new issue, it is right to see that our citizens are taken care of

Motion by Mindy Curry, seconded by Rebecca Conklin Kleiboemer to recommend to Council to remove the 90 day hold on voting on conforming boundaries. 4 ayes, 2 abstain Louann Artiaga, Richard Bingham

Other items discussed:

- The establishment of a Union Cemetery District was approved, Thank you to Rebecca Conklin Kleiboemer and everyone that worked on this, great job, positive process
- If Township resident Karen Schneider can remain professional in her remarks, she should be allowed to comment, anyone that wants to comment should be able to
- Musical flowers have gone up in the playground, water main break in the park, digging, parts ordered, will be ready for Cherry Fest
- Veteran's Memorial Park has a lot of concrete up, looks nice
- Soon as the weather dries out the lot next to Veteran's Memorial Park will be fixed up
- Township resident Karen Schneider, thank you for the opportunity to speak and thank you for the additional time and conversation on conforming boundaries, impact of services, reduction of personnel, not knowing when the compressor station funds will come in

Motion by Bob Keogh, seconded by Mindy Curry to adjourn at 7:24 PM. 6 ayes

Respectfully submitted,

Susan Miller
Clerk of Council

MEMORANDUM

TO: Village of Whitehouse Council Members and Mayor Don Atkinson

FROM: Jill Gundy, Utility Account Clerk

SUBJECT: ARS Refuse Service Cost Update

DATE: Friday, June 7, 2019

It's hard to believe that it has been a full year with our new refuse service. Per our contract, Village Staff met with Michele Ryder from ARS for an annual review. Based on this review ARS is requesting adjustments to the number of households and charge per household effective as of the June 1, 2019 billing.

The first adjustment is to change the household count from 1,540 to 1,612. This household count was verified through the utility billing system and accurately reflects the growth of the Village.

The second adjustment would be the amount billed per household. This increase is due to higher landfill and disposal costs which have increased $15.95 per ton since May 11, 2018.

On average, the Village is generating 123 tons of refuse per month. The Village is also generating an average of 45 tons of recycling per month. (About 33% of this recycling is contaminated which requires additional work in sorting and disposing in the landfill.)

ARS requests a cost increase of $0.10 per week for refuse and $0.05 per week for recycling. This overall impact of this request to the Village is about a $12,000 - $15,000 increase to our contract amount. Due to the fact that this is a normal and customary cost increase, we recommend approving the request. Additionally, the Administrator & I do not recommend passing the cost on to the residents at this time, but it will be looked at during the normal rate & fee schedule review in October.

Michele Ryder of ARS is expected to attend the meeting on June 11, 2019 and is happy to answer any questions you may have.

MEMORANDUM

TO: Village of Whitehouse Council members and Mayor Don Atkinson

FROM: Jill Gundy, Utility Account Clerk

SUBJECT: ARS Refuse Service Bulk Item Pickup

DATE: Friday, June 7, 2019

Council requested a review of the dates available for the quarterly bulk item pickups in 2020. After speaking with Michele from ARS, there are certain dates that are not available due to holiday schedules and bulk pickups for other communities. Attached is a 2020 calendar that shows the dates we would have if we kept to our current schedule and other possible dates that may be available.

Council also requested the numbers for the past year's bulk item pickups.

- August 2018 - 1133 Households participated, 45.78 tons collected
- November 2018 - 773 Households participated, 65.04 tons collected
- February 2019 - 512 Households participated, 11.26 tons collected
- May 2019 – 1317 Households participated, 57.6 tons collected

While Staff would recommend keeping the current bulk item schedule to ensure predictability for our residents, we are certainly open to Council's preference based upon public input.

As a last note, Council had requested information on roll off boxes. A e-mail with that information is attached.

EXHIBIT "B"

Michele Ryder <michele@arsrefuse.com>
Fri 6/7/2019 11:15 AM

Good Morning, Jill!
As discussed, attached is a 2020 calendar. On the calendar, dates with "X" indicate not available. I have circled the dates that would be corresponding on the current schedule for the village's cleanups in 2020.

Please be advised, weather may be a factor in January and December. If we have a clean up scheduled, and have to cancel due to inclement weather the re-scheduling of that clean up may be more difficult due to other company commitments.

A different option to consider would be to place large roll off containers at a central location for residents to use. This would require a secured location, and the residents would have to transport their items to dispose of them. We would be open to the option of doing a combination of curbside and roll off boxes for the clean ups. Each cleanup would be assigned as curbside or roll off, we would not be able to do a combination of both on the same clean up date.

Please let me know if you need any additional information.

I will see you Tuesday.

Thanks,
Michele

Whitehouse request for landfill increase and house count.pdf;

Thank you all for meeting with me last week to discuss refuse and recycling services with the village. Attached is the formal request for a pricing adjustment as well as the supporting documentations from the landfill.

The last quarterly cleanup generated 57.6 tons, with approximately 1,317 homes participating.

Pricing was also requested for roll off boxes for a community clean up. ARS would send 30 or 45 yard containers to specified locations for a period of time to be determined. Typically these are help over a weekend. We deliver the containers on a Friday, and remove them on a Monday. A longer period of time is negotiable based on the request of the village. Cost per box is $60 delivery fee per box (one time fee), $216.50 per box for hauling, and $49.50 per ton for disposal. 45 yard boxes typically average 10 tons.

Thank you again for your time. If you have any additional questions or concerns, please let me know.

Sincerely,

Michele Ryder

MEMORANDUM

TO: Village of Whitehouse Council members and Mayor Don Atkinson

FROM: Steve Pilcher, Public Service Director

SUBJECT: Tuesday, June 11, 2019 – Committee of the Whole mtg.

DATE: Friday, June 7, 2019

Downtown Street/Stop Signs

In planning for the 2019 Streetscape project, staff has researched options for renewing the street name and stop signs along Providence St. in the Downtown area from Waterville St. to Shepler St.

The new recommended sign standard is as follows:

- 4" Fluted Poles
- Tall decorative base
- Bracketed sign with black backing
- Street name signs mounted atop Stop signs.
- Round finial

*Please note that this is a similar design to the flashing STOP signs at Providence St. & Waterville St.

The street name signs come in several combinations and colors with the standard color combination being white letters on a green field within a black sign holder. This can come with or without scroll work on the bottom of the street name sign where the sign meets the pole.

Another option for the Street name signs is cast aluminum. These come in several shapes and colors and are available with or without scroll work. The cost for two (2) cast aluminum street name signs per pole is approximately $700.00.

I am including a spread sheet cost estimate sheet for changing the sign standard in the downtown area as well as submittals for the signs being suggested.

Respectfully submitted,

Steven P. Pilcher
Director of Public Service

MEMORANDUM

TO: Village of Whitehouse Council members and Mayor Don Atkinson

FROM: Steve Pilcher, Public Service Director

SUBJECT: Tuesday, June 11, 2019 – Committee of the Whole mtg.

DATE: Friday, June 7, 2019

Outdoor Exercise Equipment

In the budget process last Fall, Council requested and it was budgeted ($35,000) to look at options for outdoor exercise equipment to be placed in Whitehouse Park. I have secured a couple of proposals and prices for Council to consider.

The first is a stand-alone piece, Thrive 450, which incorporates many exercise stations in one large piece of equipment. This would need to have fall protection surface which is quoted as engineered wood fiber 12" thick. The Thrive 450 is sold by GameTime and is quoted at $29,590.38 installed. I have included a rendering of the Thrive 450.

The other choice is a grouping of several pieces of equipment. The grouping consist of 6 individual workout stations, (leg press, vertical press, cardio walker, chest press, sit Up/Back extension and captain's chair) and 4 plyometric boxes. This would also need to have fall protection surface which is quoted as engineered wood fiber 12" thick. The equipment is quoted at $27,459.00. Professional installation would be an additional $7,110.00. I have included renderings of this equipment as well.

Questioning the design representative, I was informed that the trend in outdoor exercise equipment is to have all the pieces together in a grouping rather than spread out.

I am requesting Council's guidance on which design you would like to see in Whitehouse Park and which location would be most desirable.

I am also requesting authorization to move forward with the next steps for the project.

Respectfully submitted,

Steven P. Pilcher
Director of Public Service

SubTotal:	$30,757.00
Discount:	($2,705.52)
Freight:	$1,538.90
Total Amount:	**$29,590.38**

Pricing valid for 30 days. Please request a new price after that time. Our quotation is based on shipment of all items at one time to a single destination, unless otherwise noted, and changes are subject to price adjustment.

Payment terms: Payment in full, net 30 days subject to credit approval. A 1.5% per month finance charge will be imposed on all past due accounts. Equipment will be invoiced separately from other services and shall be payable in advance of those services and project completion.

To order: Please complete the acceptance portion of this quotation and provide color selections, purchase order copy and other key information requested.

This quote does not include any state or local sales taxes. Sales tax will be added to the order if required, unless otherwise noted.

Acceptance of this proposal indicates your agreement to the terms and conditions stated herein.

Purchase Orders or Checks must be made out to:
GameTime
c/o DWA Recreation, Inc.
P.O. Box 208
Harrison, OH 45030

Once equipment is ordered, the owner assumes that the equipment is being installed according to the ASTM standards for layout and design. Additionally, the owner shall check to make sure that all appropriate fall zones are current and compliant. In the event that the owner has to return the equipment, both inbound and outbound freight will be charged along with a 25% restocking fee.

GameTime Shipping Time: Standard shipping time for GameTime is 21-28 days. Allow an additional 4-7 days for transit.

Short Ship Claims: Purchaser has 14 days from receipt of equipment to file a short ship report in writing to our office. Company reserves right to not honor claims made after this time.

Re: Fencing Options
Veterans Memorial Park and village property to the south

As the Veterans Memorial Park and streetscaping projects are underway, there is a need to evaluate fencing that will replace the current wooden fence behind Veterans Memorial Park and will extend to the property to the south where the house was torn down. According to the Whitehouse Zoning Code, fencing in a commercial district can be a maximum eight (8) feet high; therefore, all the fencing options proposed will be eight (8) feet in height. I am excited to give you three fencing options for your consideration:

- White vinyl privacy fencing
- Slate colored composite decking planks constructed into fencing panels.
- Slate colored composite decking planks constructed into fencing panels with stone columns.

I have listed the options in ascending order of cost and added value to the downtown.

Option 1-White Vinyl Fencing

Approximate Cost: $5,000

This is a good option that effectively creates the desired break between the Veterans Memorial Park and the residences behind the park. It's relatively maintenance free and looks nice. While this option provides a crisp clean look, I believe the result will be lacking with what we are trying to create in the downtown.

Option 2-Slate Decking Planks

Approximate Cost: $10, 000

This is a better option. As you can see in the rendering, each decking plank is horizontal and held together by a post creating a panel. The darker colored panels will offset and accentuate the light stone in Veterans Memorial Park drawing more attention to the park. This option is also

EXHIBIT "E"

relatively maintenance free. I believe this is a significant improvement from option 1(white vinyl fencing) and would significantly conform to our beautification standards.

Option 3-Slate Decking Planks with Stone Columns

Approximate Cost: $15,000

This is the best option and my recommendation. We have been purposeful in beautifying the downtown area for ourselves and future generations and as we are constructing the park, placing stone features in front of businesses, and completing the streetscape, adding the stone columns to the fencing will tie everything together. The stone used for the columns will match the stone used in Veterans Memorial Park, giving the impression that it is part of the park and providing the perfect backdrop to highlight this remarkable project. This fencing option is more custom, and the panels can be constructed to our height and width requirements, abiding by zoning laws. As this option is the most expensive, Administrative staff has offered their time and experience to help construct the stone columns and perform the masonry work.

In conclusion, I am recommending the slate decking planks with stone columns for the fencing that will be installed behind Veterans Memorial Park and the village owned property to the south.

Respectfully submitted,

Tiffany L. Bachman, Planning Administrator

A message from OPERS Executive Director Karen Carraher regarding the Chicago Cambria Hotel ›

		62	5	NO - You need 20 years of qualifying service

*The unreduced benefit is your full benefit. You may retire early with a reduced benefit.

**Members must have at least five years of contributing service credit, while earning the minimum required salary, to earn an OPERS pension.

* To earn a full year's service credit, elected officials would need to earn at least $7,920- per year (for pensions).

Qualifying service credit

Only the following types of service credit qualify for health care eligibility:

- Contributing service
- Eligible service in another Ohio retirement system
- Military time that interrupts public service (USERRA)
- Unreported public service
- OPERS redeposit (restored) service

* The minimum monthly earnable salary required to earn service credit for health care coverage is $1,000, which is more than the requirement for pensions ($660).

SUBJ: Request for Proposal- Parking Issue on Toledo St.

Dear Mayor and members of Village Council:

I was tasked by President of Village Council William May to review a parking issue brought to his attention, and to the attention of other members of Council, by a business owner on Providence St. The issue raised is residents parking several of their privately-owned vehicles in the parking spots on Toledo St. immediately adjacent to the business. The business owner has made several complaints to the Village, and specifically the Police Department, that the residents use the spots which forces her customers (many who are elderly and need a closer parking space for health reasons) to park father away from the business. The area in question consists of businesses at the corner of Providence and Toledo St., and single-family houses immediately to the west of the businesses. The business owner has stated that the parked vehicles are often in violation of Village Ordinance 351.16 (72-Hour Parking Restriction). The Police Department has taken several complaints regarding this issue, have contacted the vehicles owner and made them aware of the ordinance and violation which often results in the vehicles being moved from those spaces. However, according to the business owner this issue persists. Even though the vehicle owner may abide by the 72-hour (3-day time period) restriction, this still inconveniences the business owners and their patrons.

Both Deputy Chief Baer and I have observed the area and have identified numerous parking spaces located on Toledo St. west of Providence St. After further review of the situation, and observing the vehicles parked and the parking spaces available, I make the following recommendation to Council:

Recommendation: After observing the municipal parking spaces on Toledo St. to the west of Providence St., I recommend that Council authorize the erection of five (5) "3-Hour Parking Only Monday – Saturday 7:00am to 6:00pm" signs on Toledo Street. These would be located in front of the marked parking spaces immediately west of, and adjacent to, the marked handicapped parking spaces on Toledo St., west of Providence St. (See attached map). The remainder of the parking spaces on Toledo St. would remain subject to the 72-hour parking restriction under Village Ordinance 351.16. I believe this to be a reasonable accommodation that addresses the business community's concern for parking spaces in proximity for customers. There will remain numerous, available parking spaces so as not to inconvenience residential and visitor parking.

The Police Department officers would investigate parking violations, on a complaint basis, and/or address any traffic hazard observed and take enforcement action as needed.

Attch: Ref 1 & Ref 2

Reference 1: Current Village of Whitehouse Codified Ordinances (Parking)
Prepared by: Police Chief Mark McDonough
Date: 06/07/2019

Note: These are the current Village parking ordinances for the downtown area, as well as the 72-hour parking limit restrictions.

351.15 TWO-HOUR PARKING RESTRICTIONS.

(a) The following streets within the Village shall be restricted to a time limit for parking not to exceed two continuous hours for any vehicle during the time period 7:00 a.m. to 6:00 p.m. each day of the week excepting Sunday:

Providence Street from the intersection of Shepler Street southerly to the intersection of Otsego Street and as designated by signs.

Waterville Street from a point 200 feet + or -, westerly of the intersection of Providence Street, to a point 130 feet + or -, easterly of the intersection of Providence Street, and as designated by signs.

(Ord. 6-87. Passed 3-17-87.)

(b) Whoever violates any provision of this section is guilty of a minor misdemeanor on a first offense; on a second offense within one year after the first offense, the person is guilty of a misdemeanor of the fourth degree; on each subsequent offense within one year after the first offense, the person is guilty of a misdemeanor of the third degree.

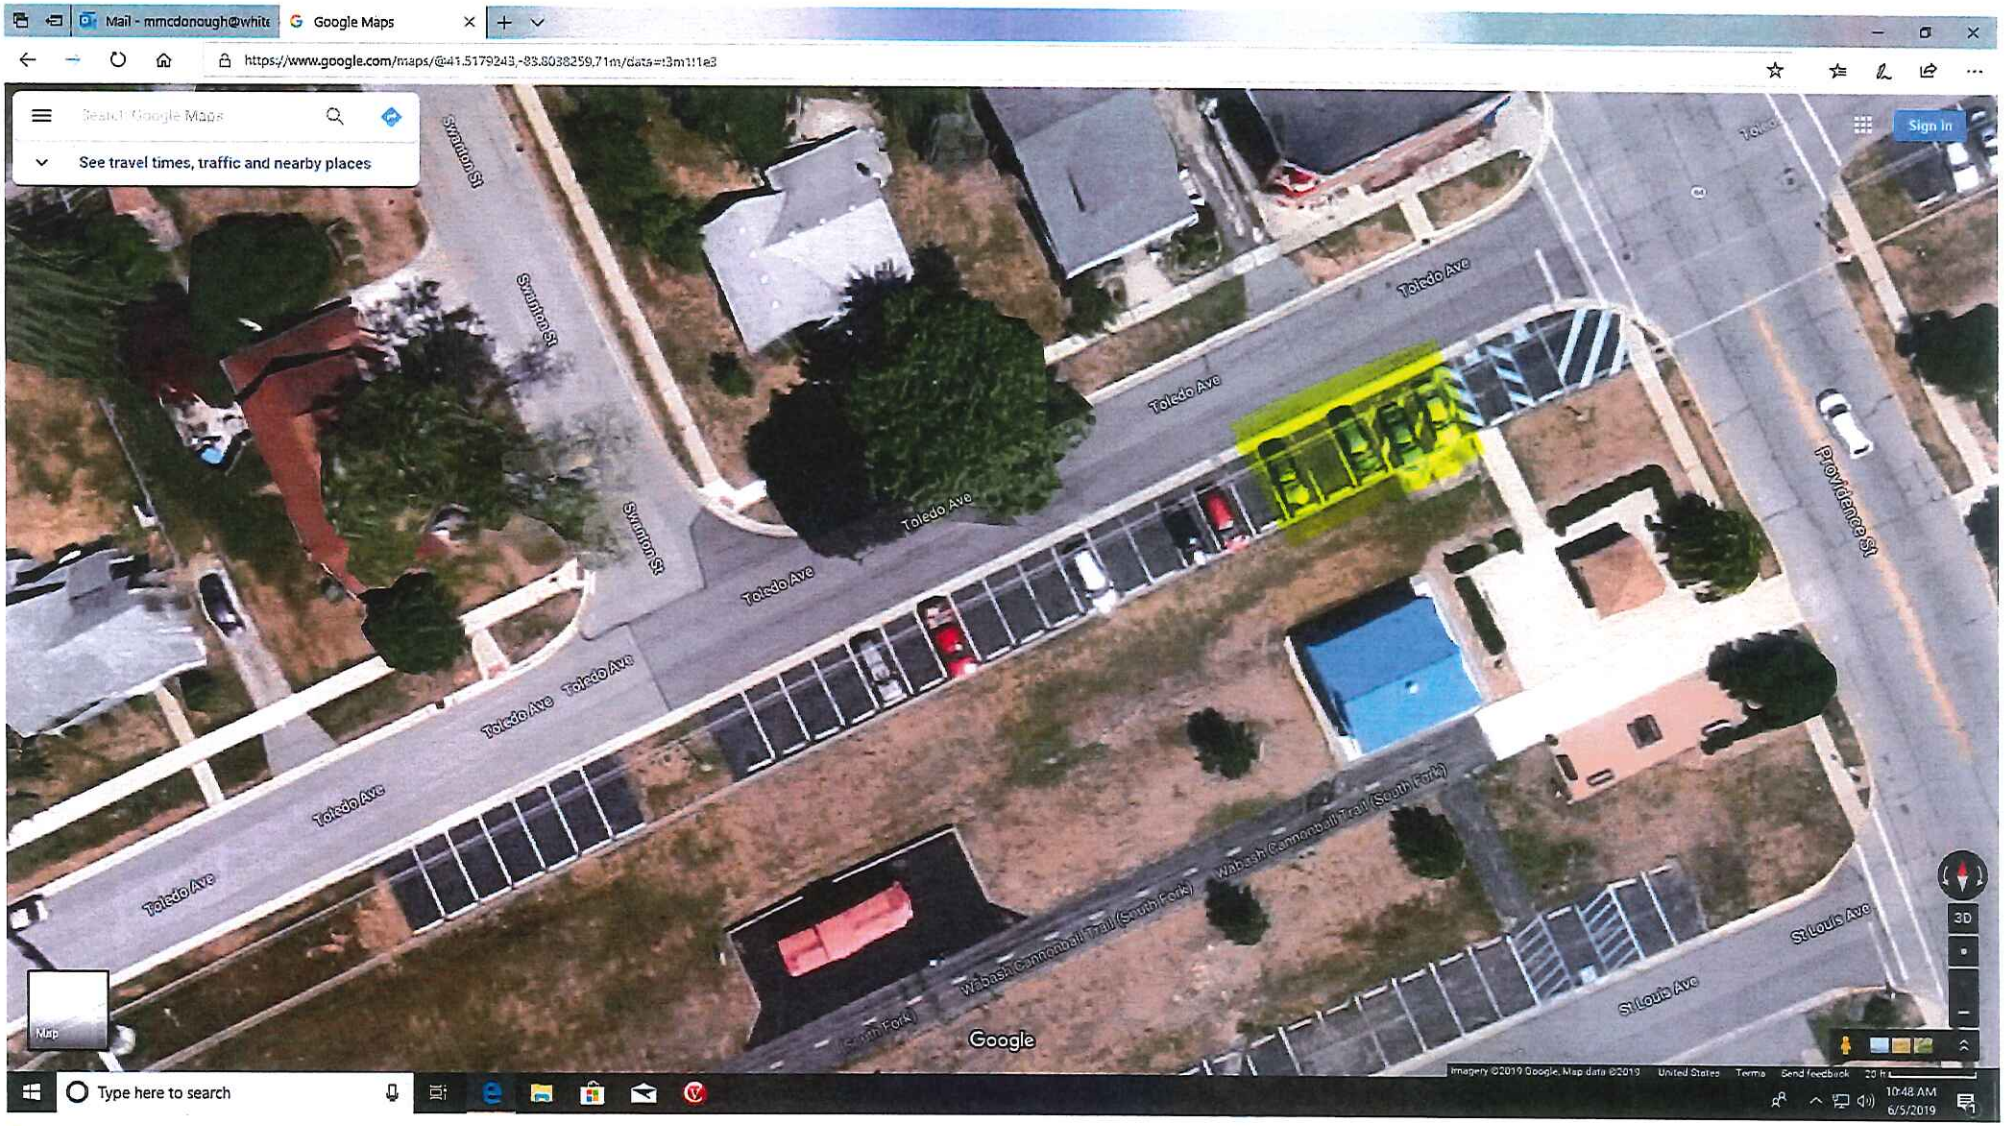
351.16 72-HOUR PARKING RESTRICTIONS.

(a) All public parking of motor vehicles, of whatsoever kind and nature, shall be restricted upon all Village streets, thoroughfares, alleys, and municipally owned parking facilities to a period not to exceed 72 continuous hours in duration for said parking of any motorized vehicle; except as to the streets and time limits and locations as so noted in Sections 351.03, 351.15 and as otherwise noted as to time and location restrictions in the Codified Ordinances of the Village.

(b) Whoever violates any provision of this section is guilty of a minor misdemeanor on a first offense; on a second offense within one year after the first offense, the person is guilty of a misdemeanor of the fourth degree; on each subsequent offense within one year after the first offense, the person is guilty of a misdemeanor of the third degree.

(Ord. 15-2005. Passed 5-3-05.)

Reference 2: Recommended locations for 3-hour Parking Signage
Prepared by: Police Chief Mark McDonough
Date: 06/07/2019



= The five (5) parking spaces to be designated as 3-hour Parking (Monday – Saturday, 7:00am to 6:00pm).
