RESOLUTION NO. 12-2020

A RESOLUTION DECLARING THAT THE AMOUNT OF TAXES THAT MAY BE RAISED BY A LEVY AT THE MAXIMUM RATE AUTHORIZED BY LAW WITHOUT A VOTE OF THE ELECTORS IS INSUFFICIENT, AND DECLARING THE NECESSITY OF AN ADDITIONAL LEVY FOR PURPOSES OF PROVIDING AND MAINTAINING FIRE AND EMS SERVICES TO OPERATE A FIRE DEPARTMENT.

WHEREAS, the Council of the Village of Whitehouse believes that the amount of taxes that may be raised within the 10 mill limitation is insufficient for the current expenses of the EMS and Fire Department of the Village.

NOW THEREFORE BE IT RESOLVED BY THE COUNCIL OF THE VILLAGE OF WHITEHOUSE, LUCAS COUNTY, OHIO, three-fourths (¾) of all members elected thereto concurring;

Section 1. The Council of the Village of Whitehouse, with at least two-thirds of its members concurring, declares that the amount of taxes that may be raised by levy at the maximum rate authorized by law on the taxable property within the Village of Whitehouse will be insufficient to provide for providing and maintaining fire apparatus, mechanical resuscitators, underwater rescue and recovery equipment, or other fire equipment and appliances, building and sites therefor, for the payment of firefighting companies or permanent, part-time, or volunteer firefighting, emergency medical service, administrative, or communications personnel to operate the same, including the payment of any employer contributions required for such personnel under section 148.48 or 742.34 of the Revised Code, for the purchase of ambulance equipment, for the provision of ambulance, paramedic, or other emergency medical services operated by a fire department of firefighting company, or for the payment of other related costs and it is therefore necessary to levy an additional tax in excess of the 10 mill limitation, pursuant to Ohio Revised Code Section 5705.19(I) for those purposes.

Section 2. This resolution authorizes an additional tax for the benefit of the Village of Whitehouse to provide for purposes of providing and maintaining fire apparatus, mechanical resuscitators, underwater rescue and recovery equipment, or other fire equipment and appliances, building and sites therefor, for the payment of firefighting companies or permanent, part-time, or volunteer firefighting, emergency medical service, administrative, or communications personnel to operate the same, including the payment of any employer contributions required for such personnel under section 148.48 or 742.34 of the Revised Code, for the purchase of ambulance equipment, for the provision of ambulance, paramedic, or other emergency medical services operated by a fire department of firefighting company, or for the payment of other related costs to operate a fire department of the political subdivision at a rate not exceeding three and twenty five tenths (3.25) mills for each \$1.00 of valuation, which amounts to 3.25 cents for each \$100.00 of valuation.

Section 3. This levy shall be imposed beginning in the current year (commencing with the 2020 taxes), and shall be for a continuing period of time.

Section 4. The question of levying these additional taxes shall be submitted to the electors of the Village of Whitehouse at the general election to be held on the 3rd day of November, 2020.

Section 5. The Clerk of the Village of Whitehouse is hereby directed to certify a copy of this resolution to the Board of Elections of Lucas County, Ohio no later than 4:00 p.m. on August 1, 2020, and to notify the Board of Elections to cause notice of the election on the question of levying the tax to be given as required by law.

Section 6. All formal actions of Council relating to the adoption of this resolution, and all deliberations of Council and any of its committees leading to such action, were in meetings open to the public as required by law.

WHEREFORE, this Resolution shall take effect and be in full force immediately upon its passage and approval as provided by law.

Zoning Enforcement Report –May 2020

I hope everyone is staying safe and healthy! We all continue to deal with this unprecedented pandemic. Starting in mid-May, we have been receiving more complaints about various issues that have been investigated and are in the process of investigation/inspection.

I continue to see many people working on maintaining and cleaning their properties. Since people have been out, they are also noticing violations more. Overall, we are continuing to see the trend of properties being cleaned up continue. I spoke with one Councilman, and he agreed that the Village overall is looking good. Overall, we have seen an overall reduction in zoning violations. Hopefully our local businesses are able to recover and receive good support from the community as they re-open. I hope that we make it through this pandemic as soon as possible. Take care!

Respectfully submitted,

Jacob T. Barnes
