THE FALLEN TIMBERS UNION CEMETERY DISTRICT

On January 7, 2019, the Waterville City Council, the Whitehouse Village Council, and the Waterville Township Trustees, meeting in a joint session, unanimously voted to form the Fallen Timbers Union Cemetery District. Prior to the creation of the Cemetery District, cemeteries in the City of Waterville and the Village of Whitehouse had been maintained by Waterville Township under contracts with the City and Village. Under the terms of the contracts, the Township was compensated by retaining the revenue received from the sale of cemetery plots and grave opening/closing fees. In 2018, the Township informed the City and Village that the revenue received was no longer sufficient to cover the maintenance expenses and the contracts would be discontinued. As an alternative to the City, the Village, and the Township separately undertaking the expenses of maintaining the cemeteries, the formation of a "Union Cemetery" as provided in Sections 759.27 and 759.341 of the Ohio Revised Code was considered and was then determined to be the best option for the future operation and maintenance of the five cemeteries located within the City of Waterville, the Village of Whitehouse, and Waterville Township. These cemeteries are Wakeman Cemetery in Waterville, Whitehouse, Mennonite, and Rupp Cemeteries in Whitehouse, and Winslow Cemetery in Waterville Township. New burials take place only in Wakeman and Whitehouse Cemeteries.

The day to day operation of the Cemetery District is overseen by a three-member Board of Cemetery Trustees, with one member each from the City, the Village, and the Township. The current Cemetery Trustees are Mary Duncan (City of Waterville), Louann Artiaga (Village of Whitehouse), and Kim Anderson (Waterville Township). The Trustees have contracted with Tiffany Bachman for Clerk-Treasurer for the District. In accordance with the Ohio Revised Code, a joint meeting of the Waterville City Council, the Whitehouse Village Council, and the Waterville Township Trustees is required to be held on the day of the first regular meeting of the Waterville City Council in May of each year. The District's annual budget and the property tax rate for cemetery maintenance and operations for the following calendar year are required to be adopted at this meeting. A Cemetery District property tax rate of 0.50 mills for 2025 was approved at the May 2024 joint meeting.

Through the efforts of the City, the Village, and the Township working together, efficient, effective and improved cemetery maintenance can be achieved through economies of scale by the Fallen Timbers Union Cemetery District moving forward into the future.

2024 OPERATIONS IN REVIEW

As of December 31, 2024, the Fallen Timbers Union Cemetery District received \$283,394.12 in revenue, had expenditures of \$218,127.17 and had an ending fund balance of \$260,968.80. The largest source of revenue for the District was from the 0.46 mill property tax which collected \$213,040.10. This tax was first received by the District in 2020. In 2024, the District made the fifth and final scheduled repayments for the interim funding provided from the City of Waterville and the Village of Whitehouse in 2019 to fund the operations of the District until revenue from a 0.46 mill property tax was received in 2020. Each entity provided interim funding in the amount of \$50,000 which was repaid at a rate of \$10,000 per year each

to the City and Village for the next five years beginning in September 2020. The largest source of expenditures in 2024 for the District was for contracted services in the amount of \$82,158. A copy of the 2024 Revenue and Expenditures for the District is provided on Page 3.

At the end of 2024, the following activity was recorded at the District's two active cemeteries:

Cemetery Lots sold in 2024: 33

- Wakeman Cemetery: 6
- Whitehouse Cemetery: 27

Cemetery Burials in 2024: 43

- Wakeman Cemetery: 21
- Whitehouse Cemetery: 22

At the May 13, 2024 Joint Meeting, the City of Waterville, the Village of Whitehouse and Waterville Township approved the proposed 2025 Appropriations for the District. A copy of the current 2025 Appropriations for the District is provided on Page 4. The current 2025 Revenue and Expenditure Reports for the District as of May 8, 2025 are also provided on Pages 5-7.
